EDUCATION

D. Y. Patil College Of Engineering & Technology B.E. - Computer Science & Engineering - D.Y.Patil College of Engineering & Technology Percentage: 74.82 / 100	2023 - 2027
Ideal English School and Junior College of Science and commerce Varawde ,Kankavli, Kankavli 12 th Konkan Divisional Board Percentage: 68.33 / 100	2023
Ideal English School and Junior College of Science and Commerce Varawde Kankavli, Kankavli 10 th Konkan Divisional board Percentage: 89.20 / 100	2021

PROJECTS

Boothly — Web Photo Booth Mentor: self Key Skills: React.js vite javascript html web audio api css vercel Project Link: https://boothly-photoboot-5mu2.vercel.app/ React + Vite photo booth app with live webcam capture, custom photo strip templates, stickers, text, filters, and Canvas based PNG export. Added real time audio/visual effects and optimized browser compatibility. Deployed on Vercel.	16 Jun, 2026 - 18 Jul, 2026
Smit Resort Online webpage (local Business project) Mentor: Self Team Size: 1 Key Skills: javascript canvasAPI google fonts css3 html5 Project Link: https://smit-resort.vercel.app/ Built a responsive marketing and booking website for Smit Resort using HTML, CSS, and JavaScript. Added parallax effects, animations, interactive booking forms, WhatsApp/SMS integration, and nearby attractions. Focused on responsive design, accessibility, and performance. Deployed on Vercel.	07 Jun, 2026 - 15 Jul, 2026
MineXpert - Sand Mining Monitoring System Mentor: Dr A S Yadav Key Skills: Android Development Android Studio Java XML An offline first Android ERP app for sand mining and transport management. Developed using Java, SQLite, and Material Design with UPI QR payments, PDF invoice generation, and soft delete data recovery. Designed for reliable, real world business use without internet dependency.	01 Jan, 2026 - 01 Jun, 2026
Flash Web Scrapper Mentor: Dr A S Yadav Key Skills: Html css python SQLite A Python Flask based e-commerce scraping app using BeautifulSoup4 and SQLite. Scraped product data from dummy HTML pages, stored and processed it in a local database, and generated product recommendations using custom scoring logic.	07 Jul, 2025 - 20 Jul, 2025

ASSESSMENTS / CERTIFICATIONS

Data Analytics Essentials Provider: Cisco networking academy Key Skills: Excel SQL Tableau Completed Cisco Networking Academy's Data Analytics Essentials course, gaining hands on skills in data analysis, visualization, and dashboarding using Excel, SQL, and Tableau, along with foundational data preparation and storytelling techniques. Passed Cisco's comprehensive certification exam (70%+ score).	26 Jul, 2026
AWS Academy Graduate Provider: AWS Academy Cloud Foundations Key Skills: AWS Cloud-Computing	16 Jan, 2025

Introduction to Cybersecurity

Provider: Cisco networking academy

Key Skills:

Cybersecurity Fundamentals Network Security Threat Detection Cyber Threats & Vulnerabilities Security Best Practices

Completed the Introduction to Cybersecurity course through Cisco's Networking Academy program, offered by D Y Patil College of Engineering & Technology, Kolhapur. Gained foundational knowledge of cybersecurity concepts, common threats and vulnerabilities, and core practices for protecting networks, devices, and data. Course completed on 11 Aug 2025 under instructor Rajvardhan Singh.

Data Engineering Virtual Internship

Provider: AWS Academy

Key Skills: Data Engineering AWS Cloud Computing Data Pipelines Data Infrastructure

POSITIONS OF RESPONSIBILITY

TECHNICAL + PRESENTATION COORDINATOR

Lingualeads club (DYPCET)

Coordinated technical sessions and presentations for club events, managing logistics, speaker support, and audience engagement

Blender Workshop Trainer

Trained participants in Blender fundamentals 3D modeling, texturing, lighting, and rendering through hands on workshop sessions, guiding beginners from interface basics to creating their own 3D models.

SEMINARS / TRAININGS / WORKSHOPS

Data Science Workshop

23 Dec, 2025 - 24 Dec, 2025

Institute Name: Techfest, IIT Bombay (Indian Institute of Technology Bombay)

Key Skills:

Data analysis Data visualization machine learning concepts Statistical thinking Problem-solving with data

Handling and interpreting datasets tools used in data science (e.g., Python, libraries)

Data Science Workshop Techfest, IIT Bombay

Learned fundamentals of data science, including data preprocessing, visualization, statistical analysis, and introductory machine learning. Gained hands on exposure to applying data driven techniques to real world problems.

Data Analysis Bootcamp

15 Sep, 2025 - 19 Sep, 2025

Institute Name: Microsoft Learn Student Ambassadors Club

Key Skills: python excel matplotlib numpy pandas powerbi

Completed a 5 day Mini Data Analysis Bootcamp, gaining hands on experience with NumPy, Pandas, Matplotlib, and Scikit learn, Built Power BI dashboards for farmer data and bank loan recovery data, focusing on data visualization and insights.
